great	lake

The word '"great" generally means "very good" but it can sometimes mean "big" or "important". For example, "That film is great" means "That film is very good", but when we speak about "the Great Lakes" in North America, we mean that they are very big, and when we say that somebody is "a great man", we generally mean that they are important in public life.

What does the word "great" mean?

> The word
> '"great" generally means "very good"
> but it can sometimes mean "big" or "important"
