Short answers

Does Charlie enjoy football?

Yes, he does.

We can answer many questions with short sentences.
In our answer, we use only the first word of the verb.

For example:

"Does Charlie enjoy football?"

"Yes, he does."

"Can you stand on your head?"

"No, I can't."

"Did you break the window?"

"No, I didn't."

"Are we speaking?"

"Yes, we are."

"May I eat this sausage?"

"No, you may not!"

Now, I'll ask questions, and you give me short answers:
