Future continuous

I will be speaking

We use the future continuous for an action that will be in progress at a particular time in the future. For example, the sentence "I will be sleeping at 4 o'clock tomorrow morning" means that I will go to sleep before 4 o'clock and I will wake up after 4 o'clock; at 4 o'clock, I will be in the middle of a period of sleeping.

When do we use the future continuous?

We use the future continuous for an action that will be in progress at a particular time in the future.

Give me an example, please.

I will be working at this time tomorrow.
